Dear Participant

Scheme Name: MSC Chain of Custody
Standard Reference: MSC Chain of Custody v5.0 (March 2019)
Membership Number: AM210164

Following a clear audit, Certification to the MSC Chain of Custody scheme has been approved for the following site: Kilofresh BV. Your Certificate of Conformity, detailing scope of certification and your audit report is now available on the member's portal of the Acoura website.

Your MSC or ASC CoC number **must** be used on consignment and invoice documentation to allow your customers to demonstrate traceability back to MSC fishery sources. Please note, you may not commence sales of MSC product until your details appear on the MSC website. If you plan to use the MSC ecolabel on your products you must enter into a Logo Licensing agreement with the MSC, please see <http://www.msc.org/documents/logo-use>

May I also remind you of the MSC requirement to inform Acoura Marine of the use of any new MSC suppliers, with 10 days of any delivery being received, and in advance should you require to change your activity scope.

In the meantime, my congratulations on achieving this positive result.

If you have any questions or require further information, please do not hesitate to contact us.

Best regards
